Dear friends of BrAva,

Please accept my congratulations on your outstanding fundraising at the Mom Prom, as published in The Marietta Times. I cannot imagine the heartache so many of your participants have endured. Your continued dedication to this cause is certainly appreciated by families all over the country and around the world who are affected by childhood cancers. I am honored to have so many dedicated people like you in my district, working hard to support the local community.

Again, congratulations on your successful event. I wish you all the best in health and happiness for many years to come.

Sincerely,
